## Submission of Proposal to the European Annual General Meeting

Your submission will be used as an agenda item. Please make sure your submission is concise and clear, including all the necessary information so that other delegates can easily understand and discuss it during the meeting.

<b>Country</b>	<b>ITALY</b>
<b>Name</b>	Appendix P RRS simplification
<b>Proposal</b>	<p><b>Add this item at the standard SIs</b></p> <p>1.6. The Race Committee may decide to display letter "O", Oscar before the warning signal.</p> <p>1.6.a. When letter "O" flag is displayed, Appendix P2 is modified as Appendix P2.1 will be applied also for each penalty after the first.</p> <p>1.6.b. Repeated and serious breaches on rules 42 may led to protest for infringement of rule 2, 3 and 69.</p>
<b>Current Situation</b>	Appendix P is fully applied
<b>Reason for Proposal</b>	<p>The misinterpretation of the rule 42 by many judges was many time reason of discussion and frustration by sailors side and judges side.</p> <p>For many times we tried to apply the classic Oscar rule were up to "X" wind knots there is a free pumping rule.</p> <p>That was always truly refused as a nonsolution to the problem.</p> <p>That SI doesn't change the RRS 42, and doesn't need any special approval, can just be applied.</p> <p>It was a successful experiment in Italy decreasing conflicts and helping good judges to "teach" to sailors, and sailors to have a limited damage from misinterpretations of rule 42.</p>
