## Submission of Proposal to the European Annual General Meeting

Your submission will be used as an agenda item. Please make sure your submission is concise and clear, including all the necessary information so that other delegates can easily understand and discuss it during the meeting.

<b>Country</b>	Switzerland
<b>Name</b>	Pascal Fischer
<b>Proposal</b>	The EAGM should define which rankings on the European level will be continued and name a responsible in the European Committee and/or establish a work group of district officers to develop a reasonable framework.
<b>Current Situation</b>	<ul style="list-style-type: none"><li>• The new Eurilca Ranking List has led to big discussions in the districts and much administrative work in the office.</li><li>• Additionally many sailors are complaining because of the intransparent scoring.</li><li>• Thirdly there's still the EMS Ranking list and the European ranking ladder. This is a confusing situation for sailors and other stakeholders (like press, sailing clubs or sponsors).</li></ul>
<b>Reason for Proposal</b>	<ul style="list-style-type: none"><li>• The idea of a ranking which includes every regatta in Europe is nice, but there's still a lack of acceptance and there are many unsolved problems.</li><li>• Most of our district's problems have had been solved in direct contact with the executive committee, still the situation is not satisfying for all districts.</li><li>• Such an important matter as a new ranking should be discussed with all the districts.</li></ul>
