Submission of Proposal to the European Annual General Meeting

Your submission will be used as an agenda item. Please make sure your submission is concise and clear, including all the necessary information so that other delegates can easily understand and discuss it during the meeting.

Country	Switzerland
Name	Pascal Fischer
Proposal	<p><u>Improvement of the yearly planning process for European Regattas</u></p> <ul style="list-style-type: none"> • The planning process should start with the determination of the <u>Worldchampionships by the ILCA international office</u> (target: venues and dates agreed and published 20 months before the start of the Championship). It is the international office which has an <u>overall co-ordination function throughout the process and arbitrates conflicts</u>. • The <u>ILCA international office</u> also considers and co-ordinates with ISAF for the ISAF Worlds and the World Cup regattas • The <u>European Secretary co-ordinates</u> with the different Executives and with the ILCA international office the establishment of the <u>European regatta calendar (European Championships, Europa Cup, EMS)</u> also considering Eurosaf regattas (second priority). • Venues and dates are only published by the European secretary <u>once they are firmly agreed</u> with the different instances. No "provisional" dates are published. <u>Districts and/or clubs are not allowed to publish dates and "NOR's" beforehand.</u> • For the <u>Europa Cup</u> the long standing agreed principle of a "<u>Spring Tour</u>" in Southern Europe and a "<u>Northern Tour</u>" in Summer should be respected, e.g. when ever possible no Europa Cup outside of the South in Spring and vice versa.
Current Situation	<ul style="list-style-type: none"> • The planning of the different World and European regattas is handeled by different instances. Their co-ordination can and should be improved.
Reason for Proposal	<ul style="list-style-type: none"> • Different contradictionary calendars have been published at the same time for 2013. • Provisionbal regatta dates and venues were published, but changed several without due notice, which leads to confusion. • Certain key principles and earlier agreed policies are not always respected.
