

<b>Country</b>	FINLAND
<b>Name</b>	Esko Rechart / Calle Lindfors
<b>Proposal</b>	Age limit to be removed in Senior Laser Standard European Chamionships
<b>Current Situation</b>	<p>There is an age limit of 17 yrs to enter European Championship regatta for Laser Standard Seniors.</p> <p>We shall hereby maintain the opportunity of keeping the discussion open concerning the age limit of the European Championship, as there is no age limits to participate at World Cups and ISAF Word Championships for Laser Standards.</p> <p>Please take this kind request into consideration</p> <p>Esko Rechart Head Coah Finnish Boat and Sailing federation</p>
<b>Reason for Proposal</b>	<p>At the age of 15 year, boys are today well fitted to participiate in Laser Senior Regattas, in earlier and future cases some countries are using European Chamionships as qualifications for Olympics. This year ISAF WC is the regatta for validating country palces and no limits are set for ages.</p>
