

European Region Executive Officers

Jean-Luc Michon – Chairman

49 years old. An active Laser sailor since 1979, has participated in several Laser Standard worlds and European championships. Also still sailing as a masters sailor in various regattas. International Judge since 2000 and International measurer since 1998. Has organised inspection/measurement throughout the class. Very active in making the class rules simpler and easier to understand. Dedicated to the Laser class, pushing the Laser radial at the start of the Radial class and a big supporter of the Laser 4.7.

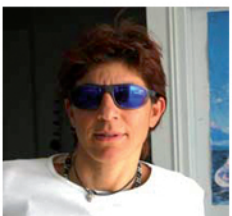

Ahmet Ediboglu – Vice Chairman

I was born in 1955 and have been sailing since I was 6 years old. I graduated from Marmara University Business Administration Faculty. Currently I am the Turkish Laser Class President and a board member of the Turkish Sailing Federation. I am Married and have one daughter.

Luc Dumonceau – Masters

I am a 56 year old Laser Sailor. I started to sail Laser in 1978. I have been the Belgian Chairman for 10 years and became European Masters Coordinator in 1998. I love my function growing each day.

Elena Papazoglou – Womens

After finishing school I studied Economics in Germany. When coming back to Cyprus I started sailing and I am great fan of the sport since then. I am an active Laser Radial Sailor and for the past 3 years I have been the Technical Advisor of the Cyprus Yachting Association. I have been an International Race Officer since 2003 and amongst other things I have participated as a member of the Organizing Committee for the 2004 Olympics. This year I have been elected as a member of the Youth and Development Committee of ISAF. It is a great honour for me to be a member of the Executive Committee of the European Council of ILCA and I will do my best to promote women sailing in Europe.

Zlatko Jakelic – Youth

I was born in 1967. I started sailing at the age of 5 and am involved with Lasers as sailor, Judge and District Officer in Croatia. I have been the Croatian Laser Class Secretary for the last 8 years. I was member of the organising authority for 3 Europeans Championships and the 2008 Laser 4.7 World's. I am honoured to be member of Executive Committee and would like to promote and improve youth sailing within the Laser Class in Europe.
