

## **European Laser Championship Bid Form**

### ***Introduction***

Before filling in this document, please read the 'Requirements for the Organisation of a Laser Championship' (ROLC). Further information on what is required to run a successful European Laser Championship (LEC) are detailed in the ROLC. If at any time you require more detailed information than is available in the ROLC please contact the ILCA office:

Email: [office@laserinternational.org](mailto:office@laserinternational.org)  
Telephone: +44 1326 315064  
Fax: +44 1326 318968

When completing the Bid Form please give as much detailed and specific information as possible and where indicated include as many photographs and / or detailed and to scale plans as possible. The more information you can provide the better the European Region will be able to review your bid.

**Please ensure your bid is submitted within time.** Bids must be received by the ILCA office at least 6 weeks before the European Annual General Meeting (EAGM) for championships to be held in 3 years time. The EAGM is usually held in the last weekend in November. For example, a championship in 2011 requires bids to be submitted to the ILCA office before 24<sup>th</sup> October 2008.

Bids should be sent by email to [office@laserinternational.org](mailto:office@laserinternational.org). Once a bid is received the office will confirm receipt.

Received bids will be distributed electronically to the European Region for review so if required please provide either links to photographs and plans available on the internet or separate your message into multiple manageable email sizes. Many email accounts are limited to attachments of up to 5 Mega Bytes.

### 3. Weather conditions

- 1 Please give a detailed description of the average wind strength and direction with any patterns in the weather for the dates of the championship.

**The championship will take place at a time when the general force and direction of the wind is subject to frequent changes. The presence of a high will result in good weather conditions (hot and sunny), a synoptic wind from the NE and/or thermal wind.**

- 2 Please detail the tidal conditions, including the tidal range and a detailed description of the direction and strength of currents over the race area(s) and launching / landing site(s).

**Depending on the tidal coefficient of the day, the current in the bay can reach 0.5 knots. But their current is relatively homogeneous in the sailing area, and therefore must mostly be taken into account in sailing the lay lines.**

**4. Previous experience of international championships.**

- 1 Please give detailed information of previous championships, including year, visitor numbers, number of race areas, number of participants and any specifics of previous organisation that may be beneficial to a Laser Championship.

**European Laser Youth Championship 2008 with 2 races areas and 392 participants.**

**European Laser Master 2011 with 1 race area and 161 participants.**

## ***Championship Details***

### **1. The proposed date for the championship.**

**At the end of August 2014**

### **2. Championship entry.**

- 1 Will the championship be an 'Open' entry or 'Allocated' entry? A guide on expected numbers of entrants is available in the ROLC.

An 'Open' entry championship has no entry limit and shall allow as many sailors as wish to attend, to be present.

An 'Allocated' entry has an entry limit with specific limits prescribed per country based on their ILCA membership numbers.

**The European Laser Radial Womens Under 21 and Laser Standard Under 21 championships 2014 will be an “Open” entry**

- 2 If the championship will be 'Allocated' (entry limited) please specify the entry limit remembering to consider shore side requirements as well as racing area(s).
- 3 If the championship will be 'Allocated' (entry limited) Give details of the reasons why any entry limitation is required.

## **Administration & Infrastructure Details**

### **1. Legal restrictions**

- 1 Please specify if there are any legal restrictions for boating licences (sail or motor), and if so, if tourist equivalents can be easily obtained for coaches and judges.

**There are legal restrictions for boating licences for motor. Tourist equivalents can be easily obtained for coaches and judges.**
